# DEDICATION

We the members of the Class of Nineteen Hundred and Seventy-Five take pride in dedicating this, our Yearbook, to Mr. Edward Caffrey, We would like to thank you for your extensive guidance and understanding in dealing with our many problems. As a friend of the Class of 1975 and as a dedicated West Bridgewater High School faculty member, we proudly dedicate this, our 1975 **Climber** to you.

## SUNSHINE

Sunrise in the morning. There's a new day ahead.  
A day of friendship, laughter, newness, fears.  
Sun set in the evening. The day's already done.  
It's time for parties, playing; gone before it's begun.  
Sun up, Sun down; the cycle goes round and round.  
Sun up, Sun down; there's a year done.  
It's a time for growing, learning; gone before it's begun.  
Sunshine in the afternoon, there's another day ahead;  
Another day of working together, rehearsals, fun.  
Sunset in the evening, there's another day done;  
It's a time for Jr. Proms, Jr. Class Plays, gone before it's begun.  
Sun up, Sun down; the cycle goes round and round  
Sun up, Sun down; there's another year done.  
It's a time for convictions, detentions; gone before it's begun.  
Sunset at night; There's another day ahead.  
Another day of Sr. Class Plays, class trips, privileges.  
Sunset; with this our final year is done.  
It's a time for Sr. Receptions, drinking, fun; gone before it's begun.  
Sun up, Sun down; the cycle goes round and round.  
Sun up, Sun down; there's another year done.  
It's a time for demanding, accepting, commencement; gone before it's begun.  
Sunrise in the morning. There's a new day ahead.  
Little children off to school — first time for each one.  
Sunset in the evening; the morning was so long ago.  
Last one's getting his diploma — There's a senior done.  
It's a time for smiling satisfaction . . .  
. . . gone before it's begun.

## SUNNY SKIES

Sunny Skies sleeps in the morning  
He doesn't know when to rise  
He doesn't know when to rise  
He closes his weary eyes upon the day  
Look at him yawning  
Throwing his morning hours away.

Still he knows how to ease down slow  
'Till everything is fine in the end  
And you will be pleased to know  
That Sunny Skies hasn't a friend.

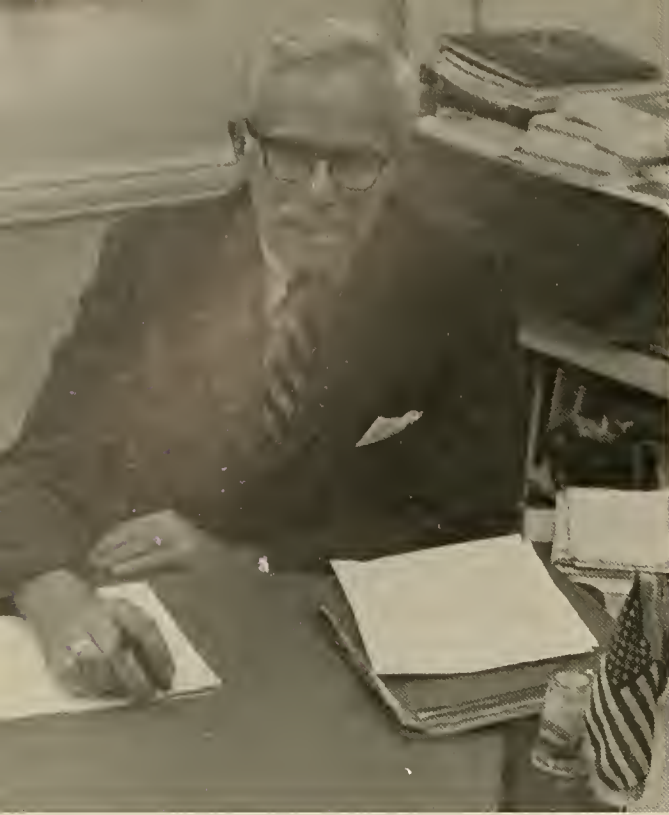

Sunny Skies weeps in the evening  
It doesn't much matter why  
I guess he just has to cry from time to time  
Everyone's leavin' —  
And Sunny Skies has to stay behind.

Looking at the show and trees  
That grow outside my window  
Looking at the things that pass me by  
Wondering if where I've been  
Is worth the things I've been through.

Ending with a friend named Sunny Skies.

# SUPERINTENDENT OF SCHOOLS

TO ALL THE MEMBERS OF THE CLASS OF 1975

Congratulations to the largest class in the history of West Bridgewater. You are deserving of recognition not only for your size but, more importantly, your quality. During the past twelve years you have worked long and hard to achieve success academically, in community activities and projects, and in the various extra-curricular activities of the school.

For all of these accomplishments I thank you on behalf of your parents, your teachers, and our fellow citizens. Keep up the good work in the years to come and I'm sure success will be yours. No matter how great the task ahead appears, keep in mind the old proverb, "A journey of 1,000 miles starts with one step".

We faculty members have tried hard to help you understand and to master the traditional 3 R's. Now without reducing the importance of their academic goals, I want you to give consideration to adding a 4th R. This is the R that's not too popular with some in today's world, Religion. I agree that to insert it into the public schools that serve such a diversity of races, creeds, and cultures, it should only be studied for understanding and not adoption, that's the task of the home and church. This means that we, by law, must not participate in any religious practices in the public schools. It does not alter the right of each of us, within ourselves, to act in keeping with the teachings of our own beliefs, so long as they do not infringe upon the rights of others or oppose school policy and incorporate these attitudes in our daily lives wherever we are. Always take time to investigate and, most importantly, practice the religion of your choice.

While academic courses that you have mastered will help you to cope with the challenges ahead, there are times when even a brief pause, for reflection, can do a great deal to help you in your belief in yourself and faith in others, so necessary to achieve a full and satisfying life. A strong sense of religion, many of us have found, has been a great help in time of trouble. Please keep it in mind.

Good health, good luck, and God bless you.

Donald A. Fisher

# PRINCIPAL

TO THE MEMBERS OF THE CLASS OF 1975

The outcome of your experiences of the past 12 years is as far reaching as you care to make it. Each and every one of you can cite many examples of the great accomplishments that have helped give life new promise and meaning. Conversely, you can cite examples of frustrations and failure. It is my sincere wish that you, the Members of the Class of 1975, share those experiences which lead to a happy and full life.

Your education has not terminated because you have reached the milestone called graduation. Education is an ongoing process. It will be through your concerted effort and concern that posterity will be guaranteed their birthright of a good education. As you apply your acquired knowledge and skills, pause occasionally and show your appreciation for the value of the education you have received.

I would like to express my sincere gratitude to each one of you for your contributions to West Bridgewater High School. May I also offer my congratulations upon your completion of your public school years and extend to you best wishes for a successful and happy future.

Yours truly,  
S. Erick Benson  
Principal

# VICE PRINCIPAL

TO THE GRADUATES OF 1975

Within this book lie memories of happy days, days to recall with fondness, days upon which to linger with regret that they are no more. While at West Bridgewater High School, you have had the opportunity to develop skills in both academic and non-academic areas, and in these times of unrest, you now have the responsibility of transforming this knowledge into social action.

In my short time at West Bridgewater High School, I have met many fine individuals and I wish each of you success and happiness.

**"In the beginning was the word," and the word is still amongst us the distinguishing mark of man.**

To help our students understand the word in its best uses — literature; to parry it in its worst uses — propoganda; to create new worlds with the word or to enlarge the inner world - through writing and reading; to grasp the hand of our fellow man in word and play — through speaking and drama: These are the purposes of education in the mother tongue among all free and civilized societies, and so it is our aim in the schools of West Bridgewater.

The Mathematics Department aims to provide the best mathematical education possible for the students of West Bridgewater High School. We strive to present the instruction in a manner which will create a strong desire on the part of the students to master mathematical concepts and increase his understanding to the limits of his abilities. For the college bound student, our aim is two-fold: one, to equip him with the necessary mathematics for his acceptance into the college of his choice and; two, to provide him with a workable knowledge of practical mathematics. For the terminal student, we provide the opportunity to master the mathematics of everyday living.

# FOREIGN LANGUAGES

The Foreign Language Department endeavors to make learning a second language, as a means of communication, a rewarding experience. Through the audio-lingual-visual program the basic skills of speaking, reading and writing are developed. Using these skills as functional tools, we strive to instill in the student an appreciation and understanding of the culture as reflected by the language.

It is hoped that these understandings and appreciations will enable the students to show tolerance and concern for their fellow man throughout the world.

Mr. McKay is substituting for Mr. Butler, who is currently on sabbatical, for the 1974-75 school year. Mr. Butler will return in the Fall.

## ART

There are three primary objectives of the Art Program. The first is to increase the student's awareness of his immediate environment and to perceive the way things actually appear. The second aim is for exposure. This is achieved through the use of a great variety of media and unusual projects. The third objective is to encourage students with artistic interest and ability to pursue art in high school. The most important overall aim is to leave as many students as possible a positive association with art; something that was a pleasant and happy experience.

RANCOURT LaROSA

JOAN L. JAMES

Music teacher and Choral Director; Marywood College A.A., Bridgewater State B.A., Graduate work — Bridgewater State; enjoys travel, art (illustrating and various commercial design), singing.

## MUSIC

The High School Band (Instrumental) program is an attempt to help students to develop a sensitivity to the aesthetic values in music both in performance and listening pleasure and to broaden their scope of understanding and enjoyment by participating in musical ensembles as Chamber Ensemble, Jazz Ensemble, and Concert Band as well as Marching Band. However, our primary objective is an aesthetic education which can be enjoyable as well as assisting in the development of aural intelligence rather than performing for public entertainment as our only goal. The Band performs at all Home football games, parades, and several concerts throughout the school year. The Band is also open to non-instrumentalists who would like to participate in Majorettes, Drill Team and to those students who would like to act as a manager or to begin the study of a musical instrument.

The High School Chorus which meets twice weekly, is available to any student in grades nine through twelve. Its purpose is to provide the opportunity to develop the concepts and skills in proper singing, score reading and musical interpretation. A varied program of choral literature is provided in which the students may learn both classical and contemporary music. Opportunity is also available for those who wish to audition for participation in the various District Festivals and S.E.M.S.B.A.

## INDUSTRIAL ARTS

The four aims of the Industrial Arts Department are:

1. Industrial arts helps you to understand the people and the things around you.
2. Industrial arts helps you develop valuable skills.
3. Industrial arts helps you decide on a vocation.
4. Industrial arts provides experiences that lead to hobbies.

ARTHUR F. MEANS

Action

Let's dance!

Wait a minute, buddy

I've gotta do it . . .

I did it!

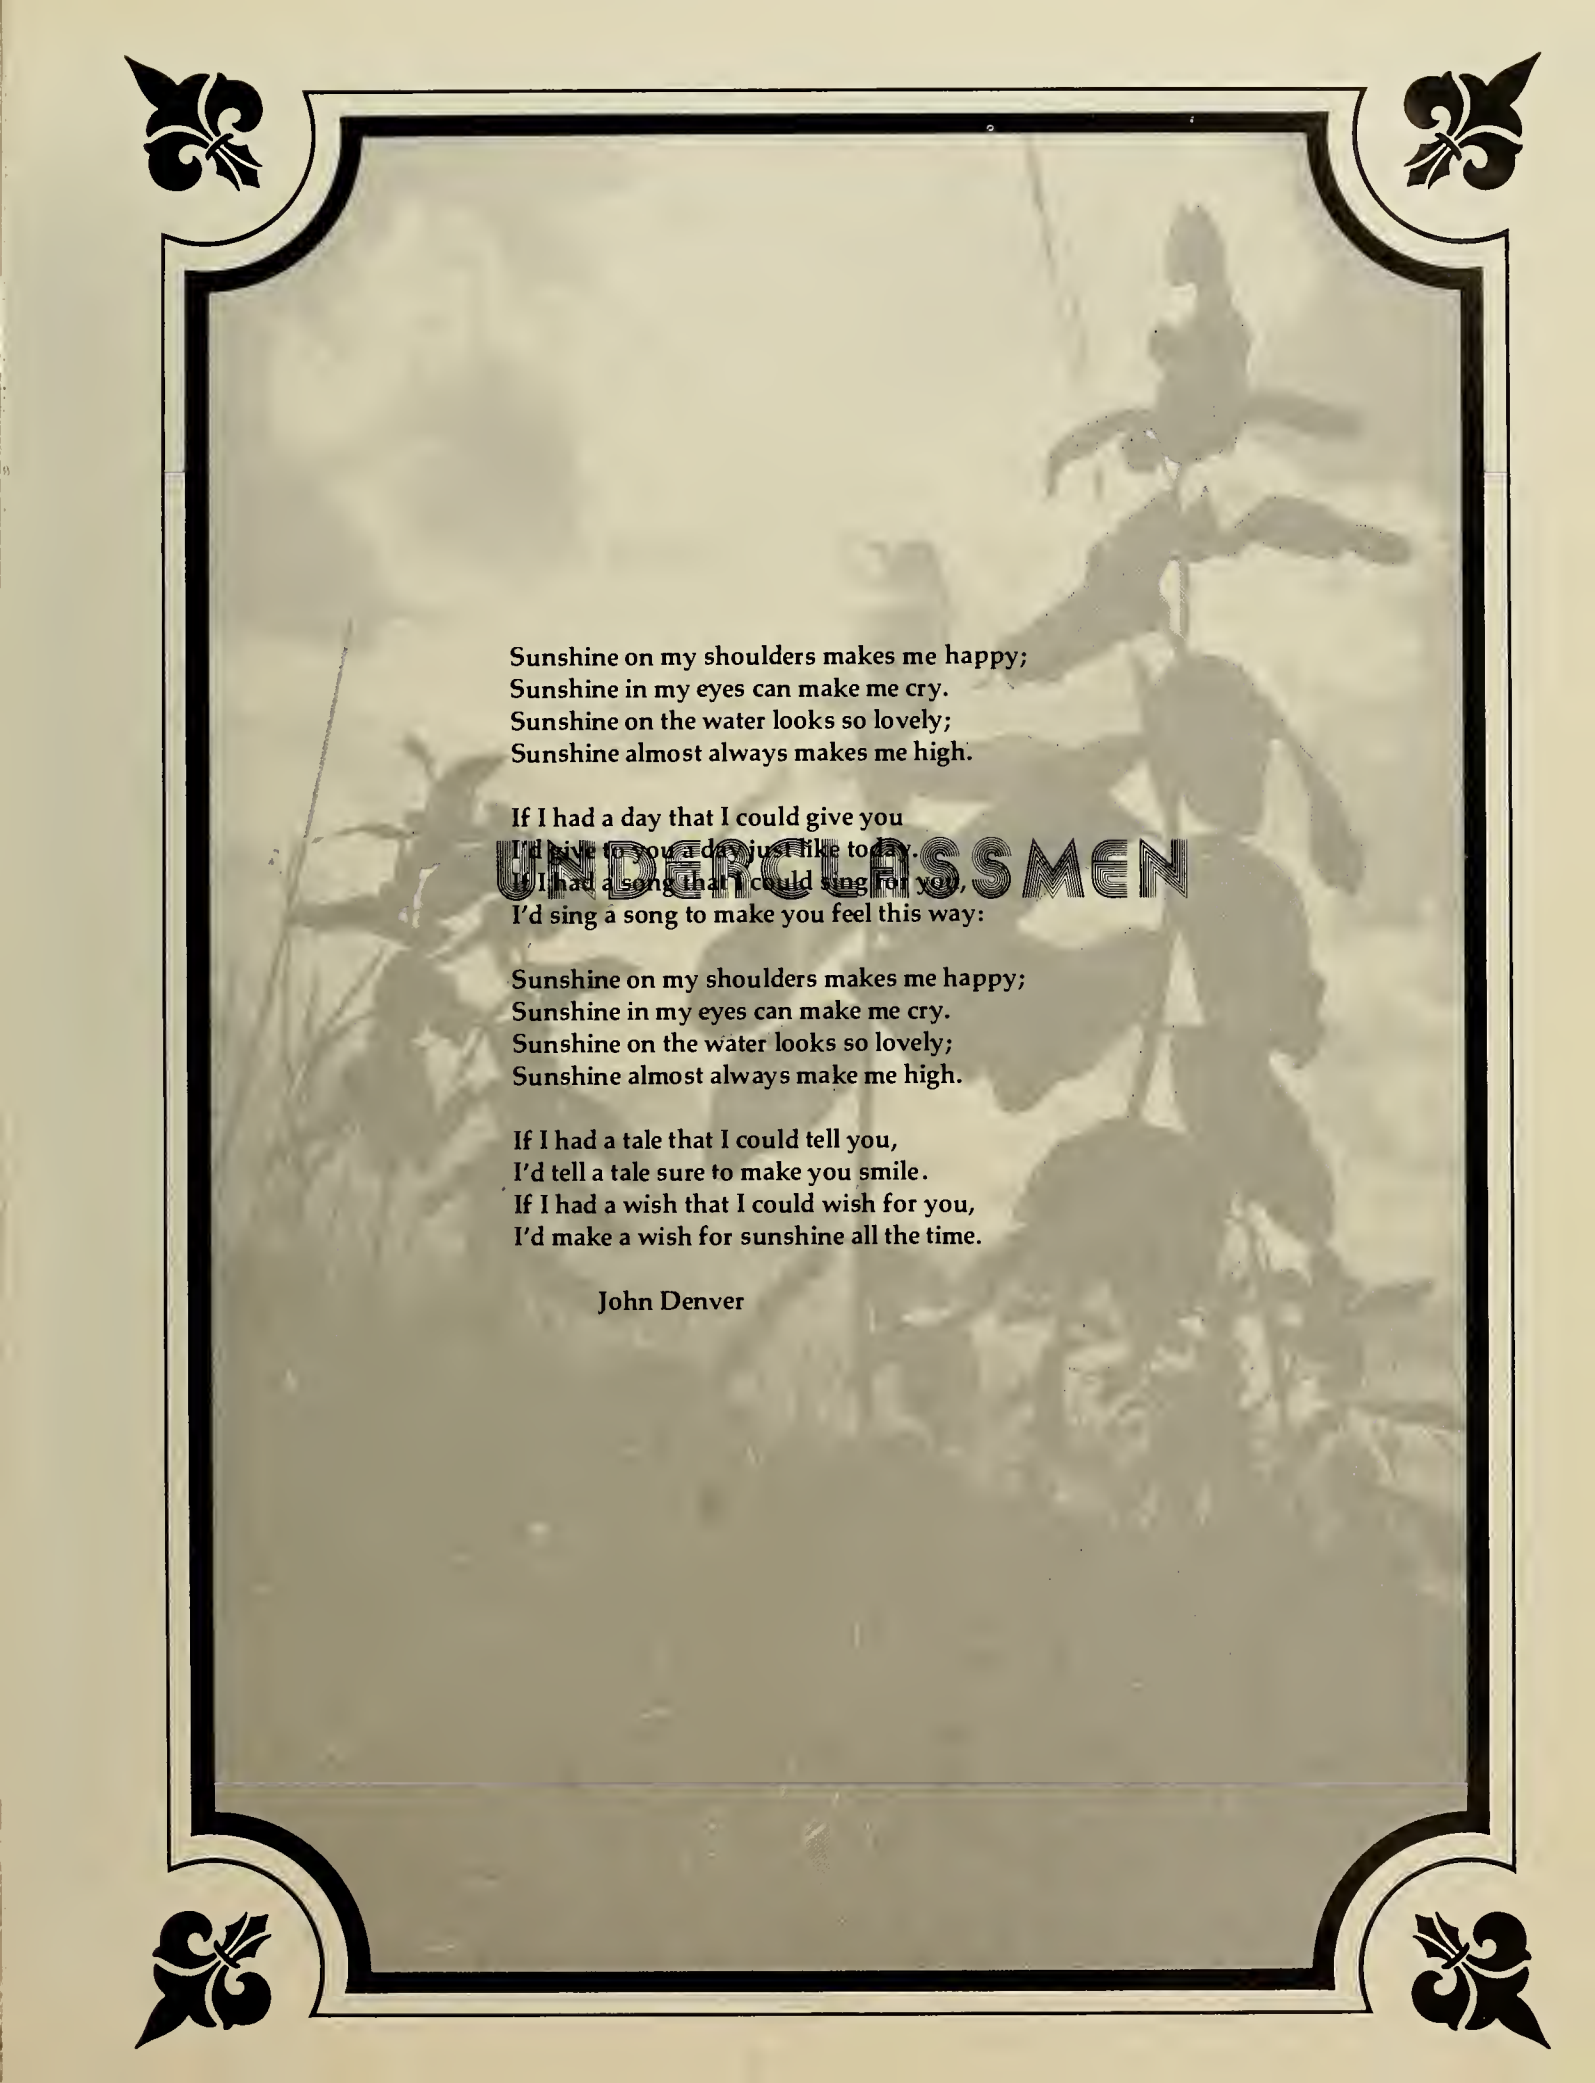

Hand it over

THE END

Sunshine on my shoulders makes me happy;  
Sunshine in my eyes can make me cry.  
Sunshine on the water looks so lovely;  
Sunshine almost always makes me high.

If I had a day that I could give you  
I'd give to you a day just like today.  
If I had a song that I could sing for you,  
I'd sing a song to make you feel this way:

Sunshine on my shoulders makes me happy;  
Sunshine in my eyes can make me cry.  
Sunshine on the water looks so lovely;  
Sunshine almost always make me high.

If I had a tale that I could tell you,  
I'd tell a tale sure to make you smile.  
If I had a wish that I could wish for you,  
I'd make a wish for sunshine all the time.

Sunshine

Jonathan Edwards

Sunshine go away today  
I don't feel much like dancing  
Some man's gone and he tried to  
run my life  
I don't know what he's asking.

When he tells me I better get in line  
I can't hear what he's saying  
When I grown up I'm gonna make it mine  
These ain't dues I been paying.

How much does it cost — I'll buy it.  
The time is all we've lost — I'll try it.  
He can't even run his own life  
I'll be damned if he'll run mine — Sunshine!

# ADVERTISING

Working starst to make me wonder where  
The fruits of what I do are going  
He say in love and war all is fair  
He's got cards he ain't showing.

Sunshine c'mon back another day  
I promise you I'll be singing  
This old world she's gonna turn around  
Brand new bells 'ill be ringing.
